Skills:

Languages: C#, TypeScript, SQL.

Technologies and Frameworks: .Net Core Web API, Asp.net core MVC, Entity Framework, Angular.

Cloud & Devops: Azure App Service (web App), Azure Storage Account, Azure Devops

.Net Version: 8.0

Tools: Visual Studio, SSMS.

Database Management: SQL Server, SSMS.

Version Control: Git.

Objective:

Senior Software Engineer with 3 years of experience in various technologies and like to work in an environment that uses and enhances my skills and provides opportunities for professional growth along with organization growth.

Work Experience:

LTIMINDTREE, Hyderabad

Senior Software Engineer

July 2022 – Present

- Experienced in developing and deploying .NET Core Web APIs using Entity Framework Core and angular.
- Strong foundation in typescript along with angular.
- Effectively addressing unhandled exceptions on servers to maintain stability and ensure optimal performance.
- Deploying branch features in CI/CD pipelines and test the API functionalities end to end testing.
- Proficient in cloud deployments leveraging Azure DevOps CI/CD pipelines, with expertise in analyzing deployment files using the Kudu console for troubleshooting.
- Skilled in monitoring the performance of .NET Core web applications, identifying and resolving bottlenecks at the thread level. Familiar with using deployment slots for seamless app updates and managing applications in a web worker environment.
- Adapt at analyzing profiler traces to enhance the performance and reliability of .NET Core web applications.
- Responsible for end-to-end delivery (Requirement, Analysis, Design, Develop, Test & Support) of assigned modules.

Education:

SREC Coimbatore

B.E – Mechanical Engineering

Aug 2018 - Jun 2022

CGPA: 8.09/10

LHSS Thanjavur

HSC- Bio-Maths

83.25

GMHSS Thanjavur

SSLC

92.8

Awards and Certificates:

- Received Hi-five, Coach and super crew awards.
- ASP.NET Core Web API Fundamentals - Udemy
- Web API For Beginners-Udemy
- Entity Framework for Beginners-Udemy
- App Service - L100, L200- Cloud Academy.

Strength

Hard worker, dedicated, adaptable team player. Ability to learn and adapt new technologies.
